Who is TouchCare?

TouchCare is your personal health assistant. We're here to provide free, confidential assistance to help take the stress out of healthcare. Let us help find in-network doctors, get cost estimates, deal with billing issues and explain your benefits...all at no cost to you.

How can I get help?

It's easy to open a case. You can call 833.EMPLOVA Option 1 (M-F, 8 am - 9 pm EST), visit www.touchcare.com and log into our member portal or download our TouchCare app on your mobile device.

Here's how we can help you:

● Answer benefit questions in plain language

● Fix billing errors and review medical claims

● Provider searches and appointment scheduling

● Provide cost estimates for upcoming procedures

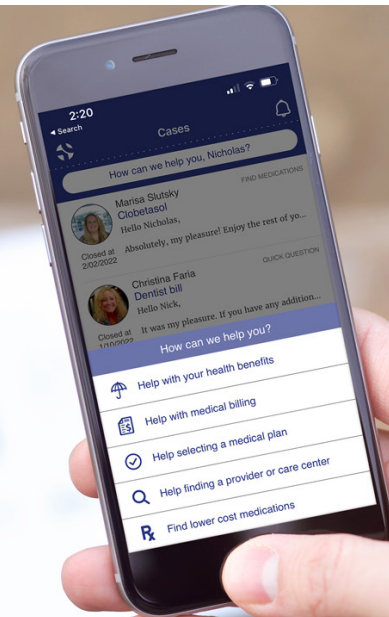

● Leave of absence navigation

Confidential, compassionate support to help you save time, stress, and money.

REGISTER FOR TOUCHCARE

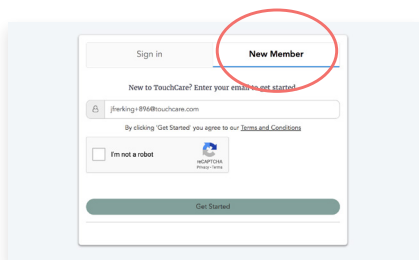

Welcome to TouchCare! We offer four convenient ways to reach us: by phone, email, web portal, or our app. For phone and email inquiries, simply provide your full name and workplace. For web portal and app inquiries, please follow the registration steps outlined below.

01

Get Started

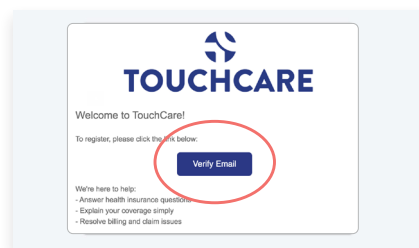

Visit www.touchcare.com and click on member login or download our mobile app. Click 'new member' on the sign-up page.

02

Verify your email

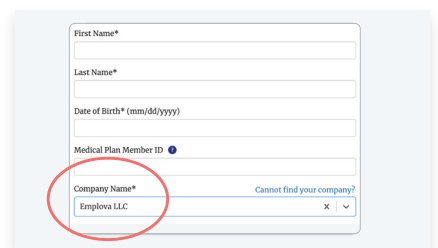

Upon creating your account, you will be asked to verify your email address. Find the verification email in your inbox and click 'verify email'.

03

Complete our form

Click the link in our email to finish registration by completing our quick intake form and release form. Finally, enter a password to create your account and open your first case.

***PLEASE NOTE:** If your benefits are managed through Emplova, please select "Emplova LLC" from the company drop down when filling out your new member registration form.

Welcome to TouchCare! You can start using our service immediately. Click on the "How can we help" button to submit a case today!
